Account Opening Disclosures

Please read the following important notices, certification, and authorizations before submitting an application. Please retain a copy of these for your records. These disclosures can be found online anytime at www.greensky.com/disclosures.

Definitions: For the purposes of these disclosures, the following definitions apply:

"Lender," us," "we" or "our" shall include any financial institution participating in the GreenSky® Program.

"You" shall include any applicant and any co-applicant, if any, collectively, submitting an application for a loan with the GreenSky® Program.

Important Notices from Us to You:

1. THE FOLLOWING IS IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens a new account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
2. In providing your income as part of this application or any subsequent update to your income, Alimony, child support, or separate maintenance payments need not be revealed if you do not wish to have them considered.
3. If you request, you will be informed whether a credit report was requested and, if so, the name and address of the consumer reporting agency that furnished this report.
4. Where applicable, you will be charged a one-time Account Activation Fee (finance charge) of \$39 at the time of first purchase.
5. If approved for a loan, a Shopping Pass will be issued to you. Use of your Shopping Pass or otherwise using your installment loan to make a purchase, whether in store, online, on the telephone, with your merchant or otherwise by any borrower authorized on the loan agreement, will constitute acceptance of the loan and the loan agreement governing the Shopping Pass by all borrowers. The physical and electronic records of any such purchase will constitute the signature of all borrowers on the loan agreement.
6. The following **state-specific notices** apply, as indicated, to California, Ohio, and Wisconsin applicants:
California Residents: If you are married, you may apply for a separate account. **Ohio Residents:** The Ohio laws against discrimination require that all creditors make credit equally available to all credit worthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio civil rights commission administers compliance with this law **Married Wisconsin Residents:** If you are applying for individual credit or joint credit with someone other than your spouse, and your spouse also lives in Wisconsin, combine your financial information with your spouse's financial information. No provision of any marital property agreement, unilateral statement under Section 766.59 of the Wisconsin statutes or court order under section 766.70 adversely affects the interest of the lender, unless the lender, prior to the time credit is granted, is furnished a copy of the agreement, statement of decree or has actual knowledge of the adverse provision when the obligation to the lender is incurred. If married, you understand that your lender must inform your spouse if a credit account is opened for you.
